Subject: ACTION REQUIRED: Senate President Requires EPA Participation in Legislative Session on AES Ashes

Saludos! Today in the news, Senate President Eduardo Bhatia indicates that he has invited me to appear before the whole Senate in a plenary session with EQB President Weldin Ortiz to discuss the issue of AES ashes. I have been notified that EPA typically does not participate in state/commonwealth legislative hearings, but we must provide a response ASAP as the Senate, as well as the press, will see this as we are trying to hide information and we are not willing to appear to a questioning session.

I appreciate your ideas and feedback on how to quickly respond to this situation.

Thanks,
